I have a good sense of direction. If I drive by a place, I can usually find my way back, walking or driving as much by instinct that says, “I think it’s over that way a little,” as by any street names or landmarks. I like following unknown paths in the woods just to see where they lead. I almost always find my way back with a minimum of backtracking.

This bothers my husband, who is a firm believer in maps, map apps, and GPS voices telling him when to turn. Often he ignores them to take a different route, but he is comforted by their presence and reliably gets from point A to point B.

“We walk by faith and not by sight,” St. Paul says. He may not have had a store in mind, but in a very real way he was talking about getting from point A to point B—from our wandering in this world to our home with God. He was talking about making it out of our spiritual woods into the light of day and making discoveries along the way.

We see as human beings do and not as God does. Paul suggests we find our way through our faith in God, who is light in our darkness, the path on which we walk, our goal and destination.

Our longing to know where we are going is satisfied when we realize we are going to him. Some will take detours and get utterly lost. Others will rely on maps, and still others will follow those who have gone before—the saints who are our examples or Christ himself. Walking by faith isn’t easy, but God will get us to where we are going if we trust in him.

From Father Khoa's Desk...

Dear Parishioners and Friends,

We are back into Ordinary Time in our Liturgical year. We have celebrated Easter, Pentecost, The Trinity and The Body and Blood of Christ. Ordinary Time with its color Green, reminds us that we are back into the day to day grind of growing in our love of the Lord, the Lord's church and each other. It is appropriate that this Sunday's gospel passage calls our attention to the mustard seed, the smallest of seeds that grows into the largest of plants. It is a metaphor for our faith life. It starts small and continues to grow. With God's grace, we become more than we ever thought possible.

We walk by faith not by sight. These words of St. Paul describe our journey in this life. All of us lived in blindness when it comes to works of God and the life of the Holy Spirit. It is only in union with the Holy Spirit through the name of Jesus that we can do the works of our Father in heaven. Just as the seed grows like in the Gospel we do not perceive all that is happening as the seed continues to grow and ultimately bear fruit. It is the same with the works of the Holy Spirit in our lives. When we approach the Father in prayer through the name of Jesus and in the power that same Holy Spirit our life is able to bear fruit in good works done by God through us. We must remain in prayer daily if we want the power of the Holy Spirit to work in our lives and to bear fruit.

We must work with God's grace in order to grow. That work involves loving, forgiving, and serving God, others and the church. Let us be open to how the Lord may be challenging us to grow in our church community here in St. Ann and Our Lady of Chartres.

Have a great week! May God bless all of us!

...Fr. Khoa
