We were never able to get a chair head to take over silent auction but many parishioners have reached out to me to let me know that they really did not want to do away with it this year. So we are late getting silent auction donations. It would be greatly appreciated if you could find at least one person to give you a donation. This way we could still have a descent amount of items so auction looks nice. Please contact Gina Leverett with any donations. Thank you!

We are very excited about our 16 Annual catfish Festival! All of your donations and hard work allows us success year after year. Not only is this an opportunity to raise money for our parish, but also an opportunity to get to know one another outside of Mass and to involve our community in this church event. We ask that you pray for continued success for the Catfish Festival. Thank you for your continued support!

Sincerely,
