Holy Trinity Sunday

Throughout the history of mankind, there have been human beings who worshipped many gods. It is called polytheism. The names of some of the Roman & Greek gods are used even in our time, names like Mercury, Apollo, Venus, Zeus. It was only with the Hebrews that belief in one God became common. This is called monotheism. Jesus taught even more about the one God, the Father, the Son & the Holy Spirit. Although the Trinity is a mystery, Jesus explained that he was the Second Person of the Trinity, who took on a human nature, to atone for the sins of human beings. We generally open and close our prayers by the sign of the cross and in praise of the Father, and of the Son, and of the Holy Spirit.
