

Belief in the Eucharist is a treasure we must seek by submissiveness, preserve by piety, and defend at any cost. Not to believe in the Blessed Sacrament is the greatest of misfortunes.

St. Peter Emyard

"I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world. For My flesh is true food, and My blood is true drink. Whoever eats My flesh and drinks My blood remains in me and I in him. Just as the living Father send me and I have life because of the Father, so also the one who feeds on Me will have life because of Me. This is the bread that came down from heaven. Whoever eats this bread will live forever."

My dear parish family,

I would like to call to mind the homily that I gave a few short weeks ago. I hope you will remember with me.

The meaning of the word “Goodbye” translated, means to wish someone well; wishing them the best life they can have as their future moves forward. It fills them with courage and strength even though you cannot be with them on their journey. So also, are the words “Fare Well.” As I have come closer to the day where I have to say goodbye to you, it is my hope you will wish me both sentiments as my new journey begins. The blessings and feeling of your presence within my heart will always be with me to guide me, comfort me and keep me on the right path.

As a priest, I always take the transition to a new parish as a blessing to my life. It gives me the opportunity to gain experience in my ministry, grow in faith, and transform my life in which I am involved for Christ Our King.

Secondly, it gives me another opportunity to extend my family. It enables me to share my life, joy, happiness, pain and suffering with new family members, as well as ministering to them through my vocation.

I want to take this opportunity to thank all of you for what you have been to me. When I came here on January 10th 2020, I had no idea what it was going to be like in my new parish. I was perplexed, and I must add stressed, about what I was undertaking at St. Ann/Our Lady of Chartres. I had not a clue about anyone, or anything our parish needed, or to whom I should go. Add to this, the perplexity of the Corona Virus, my new life became increasingly more stressful. Because of your love, care, and support and the way you related to my life, all the concerns I had were swiftly put to rest and all my fears vanished away from my heart within days.

I cherish each and every movement of life and ministry here. Your support and care have made my time here irreplaceable. Truly, I can say sincerely that I am blessed to have found such love, compassion, and support. I hope you will look back on my brief time here at St. Ann/OLC with satisfaction in what I have done here, as well as in my personal growth and my ministry in my priestly life. Through your support you have given me confidence in moving forward. As I leave here, I will remember the many accomplishments I have had, along with the growth within my priestly life. It is my hope, and belief, that I have touched many of your lives, with my love and ministry.

I am fully aware and sure that I did not satisfy some of your expectations and I hope you will forgive me for those moments. If in any way I have not satisfied you and hurt you, please forgive me, I had no intention of hurting anyone in any way.

Finally, I have no words to express my thanks for all you have given me. Please be assured of my daily prayers for you and St. Ann/OLC parish. I ask that you remember me in your prayers, and continue to be my friends, parents, and grandparents. I hope and believe that you will continue to support and help me spiritually and through the continued blessings you have given me.

Please welcome Fr. Cuddy as you welcomed me. I know you will support him and pray for him as you have done for me. I wish Fr. Cuddy all the best and good stray here.

With love,

Fr. David Milton
