The God Who Stays

*If I were You, I would've given up on me by now.  
I would've labeled me a lost cause, 'Cause I feel just like a lost cause...*

*If I were You, I would've turned around and walked away.  
I would've labeled me beyond repair, 'Cause I feel like I'm beyond repair...*

*But somehow You don't see me like I do.  
Somehow, You're still here...*

*You're the God who stays...  
You're the God who stays...  
You're the one who runs in my direction when the whole world walks away.  
You're the God who stands with open arms,  
and You tell me nothing I have ever done can separate my heart,  
From the God who stays...*

*I used to hide every time I thought I let You down  
I always thought I had to earn my way, but I'm learning You don't work that way*

*Somehow You don't see me like I do, somehow, You're still here...  
My shame can't separate, my guilt can't separate, my past can't separate...  
I'm forever Yours...*

*You're the God who stays...  
You're the God who stays...  
You're the one who runs in my direction when the whole world walks away.  
You're the God who stands with open arms,  
and You tell me nothing I have ever done can separate my heart,  
From the God who stays...*
