Fr. Cuddy's Corner

The Bishop was gradually getting through a large Confirmation, and one small boy came up whom the Bishop seemed to remember he had seen already. Still, he thought he must be mistaken, and Confirmed the boy. When later on the same boy appeared for the third time, however, the Bishop bent down and whispered: "I've Confirmed you already, haven't I?" The boy pointed to one of the assistant Clergy. "Yes," he said, "but that Priest over there keeps wiping it off."
