

The Healing Power of Love

Power went out from Jesus and cured the woman. After twelve years of Doctors visits her hemorrhaging had stopped. In fear, and trembling, she fell at the feet of Jesus and told Him the whole truth.

Jesus said to her, " Daughter, your faith has saved you."

Seeing Jesus, a Synagogur official named Jarius came forward. Falling at Jesus feet he said, " My twelve year old daughter is at the point of death." Jesus, said to him, " Do not be afraid, the child is not dead. She is sleeping." He called out to her, " Little girl, I say to you, arise!" The girl, a child of twelve, arose immediately and walked around.

Believe it or not, we have the ability to comfort, console, heal; to journey with our Brothers and Sisters who are suffering regardless of their situation or condition.

We may not have the power of Jesus, but we do have the power of love. The power to love our Brothers and Sisters no matter what their condition, situation or circumstance. For we are all one in the eyes of God.
