Opus Sanctorum Angelorum

ANGEL

Beside each belief stands an Angel as protection and shepherd leading him to life.

Opus Sanctorum Angelorum, the work of the Holy Angels is an international movement within the Catholic Church, faithful to the Magisterium. It is the order to promote devotion to the Holy Angels and form a covenant bond with them through a consecration approved by the Holy See, so that the Angels may lead us more effectively to God.

We all prayed the Guardian Angel as a child, but how many have forgotten about their Guardian Angel? In the formation of consecration to your Guardian Angel you will be amazed how much he actually does to help us every day.

Angels are powerful spirits present among us, "sent to serve those who are to inherit salvation" Hebrews 1:14. "from the beginning until death, human life is surrounded by their watchful care and intercession."

If you would like more information on Consecration to your Guardian Angel, please come to and informational meeting.

Monday, October 7th at 9:00AM in the Parish Hall

*Guardian Angel Prayer
Angel of God, my guardian dear, to whom
God's love commits me here, ever this day be
at my side, to light and guard, to rule and
guide. Amen*
