

What is Love??

The greatest tragedy in the modern world is that we have separated the two great commandments. It is clean contrary to the Gospel. There are some who attend most faithfully but who are disturbed, by their neighbor's misfortunes. Those who brag about their faith are often the worst offenders.

There are others -more numerous- who do not give a thought for God. All that matters to them is that they should succeed in their undertakings.

In other words: those who have faith often have no love. Whereas those who love often have no faith.

Thus the Gospel has been torn in two. Those who have rejected God are living with half of the Gospel. We the believers have been thrown into the dustbin.

Christ said that we are to love God with all our soul, all our heart, and all our strength, and to love our neighbor as ourselves.

That is the complete Gospel.
